

# COVID-19 VACCINATION PASSPORT

The safety of our customers and employees is our top priority. We follow closely the sanitary measures imposed by the government and now the COVID-19 vaccination passport. We are committed to providing a safe environment for your peace of mind and well-being.

The COVID-19 vaccination passport is an official tool that will allow us to prove that a person is adequately protected against COVID-19. This will allow vaccinated individuals to access certain non-essential areas and activities (events, training rooms, team sports, bars and restaurants). It will be required for individuals 13 years of age and older.

---

## HOW DOES THE VACCINE PASSPORT WORK?

When you check into your hotel, you will need to provide proof of COVID-19 vaccination at the front desk containing a QR code that displays your level of protection. There are three ways the proof can be presented :

- In a paper format;
- In PDF format on your mobile device;
- From the VaxiCode application.

# IMPORTANT REMINDERS

We are taking the situation regarding COVID-19 extremely seriously and are following all rules and recommendations issued by health authorities and the hotel industry. We are taking stringent measures to maintain the highest standards of hygiene and cleanliness and have implemented a number of additional sanitary measures:

1. No-contact check-in/check-out (shielded reception desk).
2. Digital room key (available on smart phones).
3. Hand sanitizer dispensers throughout the hotel.
4. **Secured Rooms:** No one other than you will enter your room during your stay, so you can be sure your room is safe. All rooms are left empty for the recommended time before being cleaned and reassigned, in accordance with the cleaning protocol in place.
5. Increased disinfection of surfaces and high-contact areas.
6. Kids club closed
7. Rigorous cleaning and sanitizing of all common areas, guest rooms and meeting rooms.
8. Implementation of physical distancing practices in restaurants, bars, lounge, pools, spa and gym (when cleared to reopen).
9. Controlled traffic in elevators.
10. Mandatory masks for all hotel staff.
11. Floor signage in circulation areas.
12. Disinfection of bracelets.

For more information on protocols, please contact customer service or your sales Representative.
